FEIST "NU-STYLE" MULTI-PART EDITION

Of Popular "Feist" Songs

What This "Nu-Style" Feist Edition Is:

The copy consists of the usual title-page cover and a double insert.

The insert carries the regular words and music of the song, comprised in the Voice and Piano parts with the customary Ukulele diagrams.

Above each diagram is a letter, naming the Actual chord, to be used for Guitar or Banjo accompaniment in the same key as the Piano.

Below each diagram is a corresponding letter, naming the Transposed chord, the name of the chord formed by the Ukulele diagram, where the original key of the song necessitates the convenience of transposition.

The lower letters can also be used, if desired, for Guitar or Banjo without Piano. These lower letters do not appear when the Ukulele is non-transposing.

For simplicity, there are both large and small lettered diagrams, the smaller of which can be omitted if played without Piano.

The inside cover consists of two pages, one of which contains the following Saxophone parts:

E♭ Alto Solo (large notes) with Duet (small notes)
Can also be used for E♭ Baritone Saxophone, E♭ Clarinet, Alto Clarinet, or any instruments in E♭.

B♭ Tenor Solo (large notes) with Duet (small notes)
Can also be used for B♭ Soprano Saxophone, B♭ Trumpet, B♭ Clarinet, or any instruments in B♭.

C Melody Solo (large notes) with Duet (small notes)
Can also be used for C Soprano Saxophone, Violin, Flute, Oboe, or any instruments in C.

The Duet feature (small notes) is playable in almost any combination.

The other page of the inside cover contains:
Tenor Banjo Solo (with Chords named and fingered)
Hawaiian (Steel) Guitar Solo (with chords named and fingered)
Any of the Solos or Duets may be accompanied by the Piano, also Ukulele, Guitar or Banjo by using the lettered chords in the Voice and Piano part.

MUSIC — THE TIE THAT BINDS!

Self-played and Sung Music in the Home in which more than one musically-inclined member can participate, is one of Life's greatest joys and is a "Tie That Binds" both family and friends together.

FEIST "NU-STYLE" MULTI-PART EDITION *is especially adaptable for Home Use!*

Whenever you bought a copy of a popular song in the past all that you expected and all that you got was a song, a melody with words to be sung and a Piano accompaniment!

But someone else in the home, who neither sang nor played the Piano, but who did play some other instrument, also felt the urge to join in the pleasure of playing the latest song, but could not do so because of the lack of technical skill essential in adapting the melody to their chosen instrument.

When the Ukulele became a popular instrument, because of its simplicity and portability, the little diagrams for the formation of harmonic chords to accompany the voice were added to popular song publications.

But that was not sufficient, other instruments were among the chosen; the Saxophone family, the Violin, the Clarinet, the Trumpet, the Banjo, the Guitar and others had their followers, so how could everyone join in the joy of playing that latest song without a part to play it from? They couldn't, but they can now!

The Nu-Style MULTI-PART Edition of Feist Songs Supplies this want and again proves the truth of our slogan

"You Can't Go Wrong With Any 'Feist' Song"
